Coffee Maker/Grinder 3000

**Congratulations on your purchase of Coffee
Maker/Grinder 3000 — the latest and greatest in
coffeemaking!!!**

Follow these easy steps to prepare a pot of coffee that is *fresher than from a coffee bar*:

1. Press the **On** button.
2. Replace the paper filter.
3. Add one (1) scoop of coffee beans into the basket.
4. Pour one (1) full carafe of water into the water reservoir.
5. Place the carafe onto the heating plate.
6. Press the **Start** button.
7. Prepare yourself: you are only minutes away from a cup of coffee that is *fresher than from a coffee bar*.
